## BOY SCOUTS MERIT BADGE PROGRAM

Looking for an exciting outdoor experience for your troop this winter?  
Mt. Abram has your solution.

The experienced ski school and ski patrol of Mt. Abram are here to help all of your scouts earn their snow sports merit badge and make it easy for you!

- An approved Snow Sports merit badge advisor on staff
- Ski patrol available to offer winter first aid training
- Ski school available to teach all disciplines of the merit badge
- Inexpensive lodging can be arranged nearby.
- Any or all meals can be provided at a group rate at Mt Abram
- Snow sport equipment rentals included at reduced group rate.

### RATES for 07-08 SEASON:

|  |       |
|--|-------|
| 2 days lift ticket, equipment rental and group lessons | \$100 |
| 2 days lift ticket and group lessons                   | \$70  |
| 2 days lift ticket plus rentals                        | \$70  |
| 2 days lift ticket                                     | \$44  |

Prices include badge requirement testing and sign-off. Scout leader tickets are complimentary. Tubing is available as a fun add-on activity for \$7 per day. Meals are also available – please inquire for details. Typical prices range from \$6/pp for breakfast, \$7 for lunch and from \$7 to \$10 for dinner depending upon menu. Please note that the above rentals price does not include helmets, which can be rented at a discounted price of \$6 per day. Snowshoe rentals are also available for an alternative activity (\$8 per day).

**LODGING:** We are happy to assist you in securing inexpensive lodging at nearby facilities. Please contact Eric Anderson at Mt. Abram for details.

### ALL YOU NEED TO DO IS:

1. Pick your preferred dates. Mt. Abram will have no blackout dates. The program will be available first-come-first-serve on any date you can arrange lodging and transportation.
2. Arrange lodging.
3. Arrange transportation.
4. Contact Mt. Abram with your dates and approximate numbers. We will assist you with rental and lesson forms, catering needs and any other special requirements. Email address is [mtabram@skimtabram.com](mailto:mtabram@skimtabram.com).
5. Communicate with your troop members to determine who will attend. Distribute and collect rental and lesson forms. Work with your troop on badge requirements that can be practiced at home. So that we can concentrate on only the on-snow requirements while at the mountain, scouts should prepare themselves at least one month prior to their visit and be ready to pass the first 5 requirements of the badge.
6. Show up, have fun and your scouts will go home with great memories and proudly wearing new badges!
